Dear all –

I'm sending this email as a heads up.

Next week Oliver Rabiller will be meeting with Chris Grundler at Honeywell's request.

Right not this appointment is on mine, Matt, and Mike's calendar. I will be having a call with Stacey from Honeywell to get a better understanding of what they would like to do with this meeting. Depending on the scope, I may suggest that some combination of Robin, Kevin and Dan participate. If it is literally just a meet and greet, I may just leave the attendees as is.

Thanks
Bill
